Lt. General F. L. Wieseman, USMC  
Commandant, Marine Corps Schools  
Quantico, Virginia 22134

Dear General Wieseman:

I have your letter of 26 June. I am delighted to appear at the Marine Corps School on 25 August to make an address on "The Threat to the Free World."

Lieutenant Colonel Mise, whom you have designated as escort officer, has already been in touch with my assistant, Mr. E. H. Knoche, and precise arrangements can be worked out as we get closer to the 25 August date. Incidentally, Mr. Knoche will be on leave during most of August and Lt. Colonel Mise can contact [redacted], who will be acting as my assistant during that time.

I look forward to the opportunity of seeing you and addressing the Senior Course.

Faithfully yours,

/s/ Marshall S. Carter
